Subject: FW: Annie samples

I sent this to Chuck last week ---- he said to ask you this week on how to handle this.

Subject: Annie samples

Annie has had a few resubmittals hanging around for a while. She is aware of them but has not taken them. How to handle this? Should I just assign them to her, does she have a workspace for this purpose? She is going on vacation and I don't really want to see them wait until she comes back.
